OFFICER REPORTS:

President: Covered In old and new business.

Vice President: We've had a few events, Fun Fly, and Boats and Floats. Ron Handed out 1st, 2nd and 3rd Place awards for the Fun Fly. We have a Heli Event today... Should be fun. Combat Event In a couple of weeks.

We have an issue with the schedule... Maybe we should have the builder's event on the 9th of Sept. We will discuss this in the new business as we will be moving our meetings back to Alfy's in September. The Micro-Quad Events have been officially cancelled. There just does not seem to be the interest we have had in the past.

Secretary: We currently have 50 members.

Treasurer: Money is good, we are on schedule. We still have gravel and the dig out of the parking area scheduled.

Safety Officer: Drive up and saw a guy standing on the field flying. You should be behind the safety barrier. It was mentioned that there have been many who have been seen, many who aren't in the safety barriers. They do work and if you are not behind them and another plane comes in you could get hurt. When you are flying you must be behind the pilot's stations.

Field Manager: Field didn't get mowed... Mark was supposed to mow but didn't get a reminder. Not certain why. He will investigate that.

Newsletter Editor: Ron brought copies of the July Newsletter. Please send Ron/Mark pictures so we can publish them on the website.

We have a couple of projects that still need to be done. If you would like to work on them, please let Mark or a board Member know.
