

September 2022 Meeting Minutes

President Mark Weeks Called Meeting to Order @ 6:30pm

Introduction of Officers and guests: 11 Members in attendance, including the board. No visitors today. Shortly after the meeting started two more joined via Zoom.

President - Mark Weeks

Vice President - Paul Dibble

Secretary - Steve Higgins

Treasurer - Dart Sharp

Safety Officer - Jason Milsom

Minutes from August Meeting approval: Motion was made 2nd and passed to accept minutes as posted.

OFFICER REPORTS:

President: Charity Auction, Ron did a great job of setting up, and managing the Auction...

Vice: So, we had a Heli Fun Fly... 4 Pilots. Not as hot as last year. Lots of fun!

Secretary: 52 Members In good standing. One member within 21 days of expiring AMA...

Treasurer: Money is good... We do have some gravel expenses coming up and some field improvements that we will be working on in the coming months.

Safety Officer: No reported accidents. Last weekend, we had a flier going over the car track, that was addressed and corrected.

Field Manager: Honey Buckets were emptied today (Sept 13th), please only use the new one as we are going to move the old one up the top of the hill. Mike offered a lock that we could use to lock up the honey buckets, so nobody uses them.

Newsletter Editor: Ron brought copies of the Sept Newsletter. Please be sure to send Ron/Mark pictures so we can publish them on the website.

OLD BUSINESS: None:

NEW BUSINESS:

Thanks to Michael C for grabbing the broken chairs and field garbage to the dump! Michael asked that garbage pile needs to be consolidated to just one pile.

Outer Field is cut, we will see if it needs another trimming before winter. South end is still a work in progress. Mark is going to try to form a road from the top of the car track and down to the bottom.

Gravel and Dirt work is happening in the next couple of weeks. We are putting gravel and dirt to raise the area, because it can get wet around the container. Lenny will take the berm down and level that area so we can complete the turnaround near the container. Lenny will be out Sunday to do some work on the berm.

The board is meeting next week to work on by-law updates. If you have any proposed changes, please let them know before Tuesday night! There were a couple of things like voting for board members and having two members refer new members to the club that are on the list to change.

Tarps will come down in the end of October unless the winds pick up before then.

Need a couple of volunteers to brush whack boats area before the boats and floats event coming up. Ron asked about this, and Mark will check with Bryan. Ron has a recovery barge said he will bring it out.

Auction: The Auction raised \$450.00 that was donated to the Sky Valley Food Bank. There weren't as many as past years. There was a bunch of stuff from the estates from Ron and John. We wanted to do this prior to the swap meet at the end of Oct.

Next Month is Nominations, keep this in mind.

Mowing Schedule is online, please sign up if you can.

We went over the upcoming events. Builders Contest, Boats and Floats, and Night Fly...

It was brought up that we are no longer a "Model Airplane Club". We are closer to a RC club now... At some point it might be an idea to maybe rename the club to more of what our activities are...

Jason, wants to do a tank event... How about we do it the 8th or the last weekend of Sept.

Combat Results.

1st Dean

2nd Mark

3rd Steve

Heli Event Results

1st Dart

2nd Steve

3rd Jay

Events this year have been a little spotty in terms of attendance, they are a lot of fun, you should come out and check it out. If you have any suggestion on how to get more members at these events please let the board know.

ADJOURNMENT:

Motion was made 2nd and passed for adjourning the meeting @ 7:27pm.
