OFFICER REPORTS:

President:

Vice President:

March Event Recap: Night Fly: Car Race Practice Event: Both events went great!

Hobby Expo will be held from the 11th through the 13th of April.

April 19th -First scored car race 11 am Qualifying starts 12pm racing.

April 26th - Club Charity Auction

Secretary: We have 42 paid members,

39 full members, 2 Family Members and 1 Student.

Please welcome New Member Brad Cole to the Buzzards.

Treasurer: All Bills are paid,

Safety Officer: No accidents to report. Remember to use your callouts while on the field and or at a flight station.

Field Manager: Here are a few things that we need to get done or at least scheduled. Any questions please contact Mark

Fertilize and overseed the field. Should happen early next week.

Paint Flight station tables - still green or change to brown?

Install awnings

Replace flagging on the road

Install Timing station and awning over car track.

The new gate code is in place. All current members should have received an email with the latest code. If you didn't, let Mark know now

Newsletter Editor:

If you have any pictures that you may have taken in the field, please send them to Ron Swift or Mark Weeks, and we will get them on the website or in the newsletter.

Web:

We need pictures from events or anything else for both the website and the Newsletter. Please send them to Mark or Ron, and they will share them.

OLD BUSINESS:

Barnyard Buzzards History Committee: Nothing new to report

NEW BUSINESS:

Ron and Sandy reported on the hobby , will be no on grounds parking. You must park in the main lot or the yellow lot. Saturday there will be a \$5.00 parking fee to

park in the main lot. There will be some access to deliver and retrieve purchases from the swap meet.

NWMHE is April 11th through the 13th. Fridays are 12 to 6, Saturdays are 9 to 6, and Sundays are 9 to 4 p.m. We are still looking for volunteers to work the booth.

The Model Z racers cancelled, so Len D. volunteered to assemble a crawler display. Sandy and Ron moved our booth so we could monitor it.

Bring your crawler or small indoor plane/heli, and you can fly in the cage or play with your crawler while doing booth duty!

Don Bailey brought up that in any of our events we should looking into a mini swap.

Sharing: Jim Stewart, shared his CA storage and usage tips. He used pipettes to assist in getting CA to where you need it. Keeping it in the fridge also helps it last longer

Rich Cook, Rich 3d Printed a super nice Super Tucano from Plane-Print. He said it took roughly 170 print hours but it was well worth it. We all can't wait to see it fly

ADJOURNMENT: 7:08
